

## Math 127: Review, Final Exam

**Final Exam: Tuesday, December 14, 2004, 2:00-4:30 p.m.** (see the Room Assignments below). **BE THERE!** No make ups or time extensions will be given except under extraordinary circumstances.

### Room Assignments

Section 001 (Berhanu), CH301 (Curtis Hall)

Section 002 (Datskovsky), BB401 (Barton Hall)

Section 003 (Vishik), BE162 (Beury Hall)

Section 004 (Mammo), CH212 (Curtis Hall)

You will be allowed to bring a cheat sheet (8.5" by 11") to the test. The cheat sheet can contain any formulas you deem necessary but it **must not contain solutions to any homework or review problems**. We will collect the cheat sheets together with the final exams to make sure that they conform to the above rules.

You will be allowed to use a **scientific calculator only**.

Review Session:

12/9/04, CH 11, 9:30-11:30 a.m.

An instructor (Prof. Datskovsky) will be available at MSRC Monday 12/13 from 1p.m. to 5 p.m. and Tuesday 12/14 from 10 a.m. to 1:30 p.m.

### Problems

Section 13.5, # 31

Chapter 13 Review, # 4, 5, 6, 11, 16, 17, 19, 20, 21
