Mid-Atlantic Numerical Analysis Day
A one-day conference on Numerical Analysis and Scientific Computing for graduate students and post-doctorates from the Mid-Atlantic region

Friday, 11 November 2016

TEMPLE UNIVERSITY
Philadelphia, PA

Meeting website:
http://www.math.temple.edu/events/conferences/na-day

Register online
There is no registration fee, but every participant needs to register in advance.

Submit an abstract
For a contributed talk or a poster by 10 October 2014. You may also just join as a listener.

Make your own travel arrangements (see website for hotels and directions).

Email contact: naday@temple.edu

Organizers: Benjamin Seibold and Daniel B. Szyld
Sponsored by the Department of Mathematics, College of Science and Technology, and the Graduate School, Temple University

Keynote Speaker
Michael Overton
Courant Institute, New York University

Nonsmooth, Nonconvex Optimization: Algorithms and Examples
