OBJECTIVES

The purpose of this organization is to encourage young women to study and to have active careers in mathematics, and to promote equal opportunity and the equal treatment of women within the field, as well as educate all participants about the opportunities in mathematics both at Temple University and nationally. Here is a list of all the Activities that the Temple chapter organized last semester, and the upcoming activities that we are working on for this semester.

WELCOME NOTE

Hello Everyone, and welcome to our open house event for the Spring-2017 semester. We hope you enjoy your time today. Please take a look at our upcoming events as well as our events from previous semesters.

We are very glad to have you here, please enjoy refreshments.
