

# TEMPLE MATH CLUB

ROSE MCGINNIS is the Director of Student Professional Development and Undergraduate Research for CST. She will be giving a talk aimed at Math and Math related majors describing opportunities and techniques specific to the field. Highly recommended for all math majors, especially if you have not yet begun to think about what you are doing after graduating!

**FRIDAY SEPTEMBER 12 in WACHMAN 617 @1:00**

**\*pizza to be served after!\***
