Sept
29th

We will be watching **Dangerous Knowledge**, which is a documentary on four extraordinary mathematicians. We will watch how they drove themselves insane trying to prove theories of infinity, existence of atoms and how some things are fundamentally unprovable and outside the human logic!

Prize will be given to the member who has attended the most number of our meetings!

THIS FRIDAY AT WACHMAN 617!
4:00 TO 5:00 PM
FREE PIZZA AND DRINKS
