## Advanced Concepts Lab Talk

### WHEN

September 21, 2023

5-6 PM

### WHERE

Wachman Hall 617

The Advanced Concepts Lab is a part of ATL Lockheed Martin in Cherry Hill. Their work overlaps with cryptography, statistics, and discrete math. Employees from the lab will give a talk on the birthday paradox and how it relates to the type of work they do. There will also be time for questions and free pizza!
