## LaTeX Tutorial

### WHEN

**October 5, 2023**  
**5-6 PM**

### WHERE

**Wachman Hall 617**

**This week we'll have a brief introduction to LaTeX, the typesetting language that most math and science books/papers are published in. If you'd like to TeX along with the Talk, I would recommend making an account (for free!) over at Overleaf.com. As always, there will be free pizza!**
